ANNUAL MEETING OF ST. MICHAEL'S CHURCH

::0::

More than fifty persons sat down to the sumptuous repast provided by the Guild on Wednesday of last week in the Dining Room of the Memorial Hall, and after supper and songs, the business of the Church was gone into. Mr Winter read his report as Minister in the Parish announcing the reduction of Diocesan Assessment from $200 in 1932 to $104.55 in 1933, also the new way in which Parson's salary was to be paid, the Diocese of Calgary accepting responsibility for Mission Grant only, the remainder to be paid direct by the Parish. Baptisms to the number of 20 were told of, as well as marriages and funerals taken, and the removal of Ted Swetman to Saskatoon. Visiting Clergy, besides the Bishop, had been the Rev G H Priest, and the Rev Neville Hunt, service at midsummer had been taken by Mr W J Steele.

Services at Strathmore were to be held on 29th January at 9.30 and 3.30, also the same rule would apply to the fourth Sundays in February, March, and April. Sunday School being held at the usual hour of 2.30. The Congregations at Carseland, Nightingale, and Chancellor were thanked for their assistance to the mother church at Strathmore, and the Organist, Choirmaster, and Choirs came in for their share of praise. The Wardens and members of Vestry had been of the greatest assistance, also announcement was made that the Dominion Board Women's Auxiliary had accepted a pledge for $100, towards the costs of reconstructing the Vestibule and painting exterior of the Church Building. Attention was called to the Restoration Fund for which collections would commence on 23rd April, to restore funds of the Province of Rupert's Land recently reported lost.

Mr Hand made his report as Treasurer showing receipts of $1479.46 and disbursements of $1429.40, with liabilities remaining of $130 in Diocesan Assessment, $27.50 for Stipend, $8.45 for coal, and an amount of $70.50 not yet repaid to Parish Hall and Church Restoration Fund.

Mr H S B Chamberlain told of how he had often known a Hall to build a church, but never a church to build a hall, what was needed was a place where the people of the congregation could meet for social intercourse, this was backed up by Mr S P Slater with a plea for an organization for the young people of the district. A strong committee was appointed to seek ways and means to this end before the close of the meeting.

Mrs J A French read the report of St Michael's Guild on behalf of Mrs Chamberlain, telling of all the good work accomplished, and Mrs B Campbell gave the financial report including $285 contributed towards the cost of keeping the doors of St Michael's open for services

Mrs Saunders followed with her report on the Sunday School whose time for assembly had been changed from 12.15 to 2.30 p.m. during the Winter months with the happiest results.

Mr Winter announced that Mr S P Slater had consented to act once more as Vicar's Warden, Mr Chamberlain was re-elected People' Church Warden, and the following were elected to assist the Wardens and Lay Reader as Vestrymen:— Messrs Perkins; Keeling; A Lambert; Roberts; W Saunders; Spurgeon; Sowden; Hand; French; Campbell; McGlashan and Tew. Messrs I McKenzie and F Young were appointed Auditors, and thanks were tendered to the Secretary, Wardens and Guild on the motion of Mr Saunders

The Ladies Aid of the United Church will meet Thursday, Feb. 2nd at the home of Mrs McGregor.

HOCKEY

::0::

A V McFarland's re-vamped Red Sox hockey team turned the cards on the Calgary Hornets here last Saturday night by an 8 to 0 victory after the 7-4 tie played with the Hornets a week ago.

With a few changes in the team the Red Sox have displayed a vastly superior brand of hockey then at the first of the season.

Roy Christensen played defense in place of Eddie Crellin, who is still laid up with a sore leg, and Roy has also bounched the Hornets around on defense, would make big Gene Pusie of the Regina Cabs turn green with envy.

It would seem that with Gene Giroux, R Christensen and E Crellin that the Red Sox defense problem is practically solved for they continue to bounce 'em, as Roy and Gene were doing with the Hornets. Charlie and Bill Giroux and Mike Moran working one forward line, Les Christensen, Eddie Collison and Jack Crellin, and H McGregor on the other, with G Cleeve in goal rounds up the Red Sox lineup. This is the team that Manager McFarland is sending in to the Provincial playoffs which start next week, with two games to be played from January 30 to February 4.

Judging from the remarks made by the spectators at Saturday's night game the addition of seats in the rink, along with F Bessie's score board, the rink ranks just about A1 with the Gleichen arena. Here's hoping the Red Sox meet Gleichen soon.

The Red Sox opened the game against the Hornets with a display of aggressive playing and hard back checking. The Hornets only had about three shots on the Red Sox goal in this stanza.

Moran opened the scoring on a rebound from Gene's shot after about 5 minutes of play. L Christensen followed with a nice goal when he converted Jack Crellin's pass into a counter and Bill Giroux scored on Charlie's pass near the end of the period. Bill Giroux got the only penalty in this frame.

Bill Giroux scored the only goal in the second period on a three man combination play taking the pass from Charlie Giroux and Moran

E Giroux scored on a solo rush breaking fast at his own blue line. Moran scored on a pass from Roy Christensen.

Near the end of the period Chas. Giroux took a shot and Moran picked the rebound up to count again.

With only three minutes to go Jack Crelin scored with a nice shot from about 20 feet out

W Gray referreed the game.

Watch for the playoff dates and remember the Trojan from Calgary play here next Friday 27th.

C GIROUX, LEADING SCORER ON RED SOX

::0::

	G	A	Pt
C Giroux	11	5	16
M Moran	8	7	15
W Giroux	12	2	14
E Collison	4	6	10
J Crellin	7	3	10
E Crellin	4	2	6
E Giroux	5	1	6
L Christensen	5		5
R Christensen	2	1	3
H McGregor	1	0	1

Played 10 games, won 8, lost 2. Scored 53 goals, 17 by opposing teams

::0::

In a fast and exceptionally clean game of hockey played here Tuesday evening the Strathmore Red Sox defeated the Calgary Shoprites 2 to 0.

A fair crowd was in attendance in spite of the cold weather.

Jack Crellin scored the first goal after almost 12 minutes of fast playing. Jack's goal was scored after a three man combination effort, featuring Gene Giroux and E Collison with Collison laying the final pass.

Bill Giroux scored on a pass from Charlie with only about five minutes to go in the first stanza.

The last two periods were fast with both teams playing man to man hockey.

::0::

Strathmore Midget Hornets defeated the Gleichen Midget Gunners in a very fast game Tuesday night by a score of 2 to 0. The play was fairly even throughout the game and gave the audience their money's worth.

In the first period A Crellin scored after a solo rush from behind his own blue line.

In the second period D Shrimpton took the puck at middle ice and stick handled his way past two Gleichen men to pass the puck to A Garrett in front of the goal for a counter.

Norman Taylor played a good game in goal for the Hornets stopping the puck from time to time when it looked a sure goal for the Gunners.

The game was very clean from beginning to end and no penalties were given to either team.

Gleichen— Bogstie, Lakaski, Murray, Desjardines, Schnepf, Clifford, Lister, Moss, McBean.

Strathmore— Taylor, Crellin Van Tighem, Downey, F Ridley, W Ridley, Garrett, Chamberlain Shrimpton, Brown, Wright.

Referee— George Rishaugh.

Timekeepers—, Bates, Collison

If you attend the game Thursday evening at 8 o'clock between these same teams you will be assured of your money's worth.

LOCAL JOTTINGS

Some people have been enquiring why the snow fences have not been erected at some points on the Calgary Highway where drifts are on the habit of forming. When asked about it, Mr Leech stated, that there were a few points on Strathcallan land on which permission was not granted by the land owners, owing to the trouble created by drifting soil.

"My Desire", a book published and placed on the market shortly before Christmas, has for its author Mr Watson, a brother of Mrs J Downey of Gleichen formerly Miss Watson of Strathmore. Mr Watson is a graduate of Alberta University which record he achieved in spite of the most adverse obstacles, minus both hands he learned to write with his toes then later by holding the pen in his teeth. Some of his difficulties and the determined perseverance to overcome are told in the book. He is attempting to aid himself by the sale of his book, Benice buying a copy will be doing a kind deed.

Sincere sympathy will be extended to Mrs and Miss Hammond in the death of their son and brother Friday last at Unity, Sask. The deceased has suffered for some time with acute heart trouble which affliction proved fatal Friday last. Mr Hammond leaves to mourn his loss his widow two young children, his mother and two sisters, Miss Hammond of Strathmore and one in Santa Cruz California. Miss Hammond left Friday via Edmonton to be present at the funeral.

At the Young Peoples Society Sunday evening last Miss Bessie Oldham gave a paper. They will meet next Sunday night at the home of Mrs M B Garrett.

A number of Strathmore young people attended the dances at Hervey School and at Langdon on Friday night. Among those present were Mr and Mrs Carl Brown and Mr and Mrs Herb Ellis, the Misses Margaret Fraser, Elsie Sorenson, and Annabelle Crawford, and Messrs Ernest Wright, Bill McKay, Carl Sorensen, Norman Ellis and Bill Davies.

Many of the local hockey fans are anxious to see the Gleichen Gunners on the ice with the local Red Sox, a few more times this season. The Gunners are probably the most popular team that visits Strathmore, always giving the spectators a real game and now that the Red Sox are performing so well the fans think that the Gleichen boys would be a fine brand of duck soup. Let 'em all come says Manager Mac.

Lloyd Hunter is leaving Wednesday for Calgary where he will undergo an operation for appendicitis

A W Trickey, Branch Manager of the North American Life Insurance Co. at Calgary was in town on Tuesday.

Postmaster Martin has a supply of 1933 License Plates on hand. Bring your receipts and the cash, that is all that is necessary says James.

George Pulardy of the Garrison Cartage Staff has been laid up for a couple of weeks, suffering from injuring his back, while unloading some freight.

Mr W A Laycraft has been bereaved in the death of his brother David of the Gladys Ridge to which district he came west from Quebec in 1900 and has been a valued resident of that section ever since. He has served in many public offices, always active in giving a real community service. The funeral service was conducted in Dinton Hall and was largely attended. The services were conducted by the Rev M Morrison. One sister Mrs A J McDonald arrived from the State of Vermont.

NIGHTINGALE

::0::

The hockey game between Valley Gardens and Nightingale was won by Nightingale. Three cheers for the Has-Beens.

Mrs C M Morgan and Mrs Lounsbury were visitors in Calgary last week.

Mrs J Coops is spending a few days with her friends in Calgary.

Rev Winter conducted the service here on Sunday 22nd. A very good crowd attended.

A surprise party was held at the home of Mr and Mrs Verwefre in honor of Mr Verweire. A whist drive took place at first. Winners were Mrs W Lyons and Mr Joe Keeler. Mrs W Gorman received the consolation prize. Mr Gorman played his accordian and everyone danced and had a great time.

Mr C M Morgan was badly hurt when caught in a separator belt on Monday 23rd. His left arm was broken and his head was bruised considerably. Dr Giffen dressed his wounds and sent him to Calgary for an X-ray.

Don't forget the Whist Drive in the local hall Wednesday February 1st, sponsored by the Ladies Soft Ball Club.

ROOM FOUR WEEPER ASSOC.

::0::

On Wednesday last the Association held its weekly meeting. The President Miss Roberta Dixon occupied the chair and asked Miss Frances Jones to read the minutes of the last meeting.

Mr Herian Woldum followed with reading the Asociation's paper. The jokes made a great hit with the audience.

Miss Frances Jones gave us a very interesting account of The Eruption of Mount Vesuvius.

The next speaker was Mr Herian Woldum taking as his topic, The Great Pyramids

Miss Eileen Werling closed the meeting by telling us how Oysters make pearls.

The audience thoroughly enjoyed the period taken up by the speakers. ROWE MARTIN, Editor in Chief.

DALEMEAD

::0::

A capacity audience filled the hall last Saturday evening when a public meeting was held under the auspices of the Junior U F A The speakers of the evening were the president and vice president of the organization, namely Mr W Hoppins of Huxley and Miss M Wight of High River. Mr William Newton, Junior U F A director for Macleod and an active member in the local J U F A presided, who after a few brief remarks called upon Miss Margaret Wight.

In a nicely developed address, she emphasized the importance as well as the opportunity for service which the Junior U F A afforded its members. Her address received the closest attention of the audience and was heartily applauded.

The Chairman then called on Miss Muriel Hiatt for a piano solo which she played in her usual capable manner. Miss Hiatt is a very popular pianist as well as quite an accomplished pianist and her selections received well merited and prolonged applause

Mr Wilfred Hoppins was then introduced by the Chairman as Mr Hoppins succeeded Francis Fry to the presidency of the Junior U F A last June and has shown himself to be an officer of marked ability. His address was followed with the keenest interest.

Reviewing at some length the work and activities of the Junior Conference and Farm Young Peoples Week and emphasizing the significance of the various contests held there the speaker proceeded by saying that he had been in correspondence with Alberta Dept. of Education, urging the necessity for a High School Correspondence Course. He outlined in detail how this operated in Sask. saying that in that province 10,000 students were taking advantage of such a course and that the results were exceedingly satisfactory.

Mr Hoppins concluded his splendid address by emphasizing the importance of home beautification.

Concluding that time spent in improving our knowledge of things and our surrounding was paying as large dividends as it always had done.

The successful evening was brought to a close by dancing and by a light lunch. The senior locals helped in various ways in making the evening a success that it proved to be.

::0::

ANNUAL MEETING SCHOOL DISTRICT RATEPAYERS

::0::

The annual meeting of the Strathmore School District was held on Wednesday evening at which quite a number of the rate payers were present, in fact the best attendance for several years.

The minutes of the last annual meeting were read by Secretary H McGregor who was so proud of the work that had been accomplished, that he insisted on reading the minutes of the previous year. However as it was Burns Night the Chairman J French forgave him and the ratepayers accepted the minutes without any criticism.

Principal Crowther's report was exceedingly satisfactory and was adopted upon motion of T M Wears, seconded by H Miner.

The Secretary read the Trustees Report which upon motion of H Miner seconded by T M Wears was adopted

The Financial Statement and Auditor's Report was read and adopted upon motion of T E Wright, seconded by Geo Smith.

The matter of the most rigid economy was urged by Geo Smith and it was pointed out by the Chairman, they had a revised edition of the Man From Dundee and if any one could separate him from an extra nickle, the one who obtained it would have doubly earned it.

Geo Smith drew the attention of the meeting to the rate that is charged against farm land and urged a lower rate. Mr Wears explained that the rate for rural land was set by the Provincial Government.

The reports of the Principal, the Trustees and the Secretary will be published in the Standard next week.

A vote of thanks to the Chairman was adopted.

PREMIER BENNETT STANDS FAST TO SOUND MONEY

::0::

Toronto:— Canada will maintain her sound money position, Canada will not inflate her currency. Canada will maintain her proud position in the eyes of the world and meet her obligations in the terms of the contract.

In an eloquent address Prime Minister R B Bennett made clear the position of this country. He spoke before the Toronto Board of Trade

Frank recognition of the fact that the Dominion was part of the North American continent was necessary he said. In 1933 there was due in principal and interest in United States funds from Canada, $266,124,100. This covered Dominion, Provincial and other obligations. An amount of $684,000,000 represented principal and interest payments on Canadian bonds in 1933. Of this $109,000,000 was principal and the balance interest.

Only two reasons existed for inflation—lack of currency or insolvency. There is no lack of currency in this country, and Canada is solvent, Mr Bennett stated. Unless abnormal conditions obtained, and unless something that could not be foreseen happened, he said, this country cannot, dare not depart from sound money.

Let me put to you this problem, the prime minister declared. Our dollar is worth in the United States today less than 90 cents. This is not because of its intrinsic value, but because England went off the gold standard. Do you realize what would happen if by inflation we make the dollar of this country worth only 50 cents, having these obligations to meet in the United States?

It does not matter what amount of money you have to play with in this country; but when you have international obligations to meet you have to meet them in the terms the creditor provided. The creditor loaned the money and he called the tune. We have to pay in the terms of the contract or be defaulters

Continuing, the prime minister declared there never was a time in the history of Canada when there was so much money in the banks and in the institutions. Every bank was required and had met the demands of its depositors. Not one bank failure had occurred in Canada

I do not desire, Mr Bennett proceeded, to mention countries. That would not be fair. But study conditions in every country that has gone off the basis of sound money you will find that where it did there was a shortage of currency, or there was insolvency. When I say insolvency, I mean inability to meet its obligations without resource to some artificial means to enable them to do so.

Did it ever occur to you what would happen to the credit of this country, which credit never stood so high, if Canadian currency were deflated? Mr Bennett asked. What would happen to us in the United States of America if our dollar were worth 50 cents? he inquired.

Shall we default or maintain our proud effect on the great enterprises with investments here. They sent their money here Because they had faith and confidence in the plighted word and institutions of this country. Do you realize that in the United States of America the credit of no country stands as high as that of Canada. We have met every obligation in the terms of our contract.

With the departure of confidence goes credit and when credit goes the country goes, the prime minister stated. Ontario, he went on, had furnished $65,000,000 in gold to enable Canada to meet her obligations in the terms of her contract

Great British had been driven off the gold standard, Mr Bennett remarked. At the preparatory meeting last week of a committee for the world economic conference to be held shortly in London, however, the British delegates had urged a uniform value as a world necessity, and asked that this subject matter be put on the agenda.

Briefly, Mr Benett touched upon the dumping provsions as applied to the United Kingdom. These provisions were invoked as a matter of necessity for Canada, he declared.

ART EXHIBIT

::0::

The exhibit of pictures shown in the Memorial Hall Monday and Tuesday last proved a most interesting and instructive function, and it is unfortunate that so many failed to take advantage of the opportunity provided.

Mr Garner of Calgary who is in charge of the pictures is an artist himself and he together with Mr Bennett of the School of Technology who gave most interesting addresses Monday afternoon and evening, were both most gracious in explaining the various phases of the pictures and answering any questions asked.

There were some copies of very famous pictures and very clever paintings and a great variety of subjects by Alberta's own artists.

Some pictures of the modernist school were exhibited, and these at first sight create rather startling effects. However some of this school are perhaps now in the transition stage and what the future reveals will be awaited with keen interest.

Mr Garner is much pleased with the result of the experiment, having shown the pictures to about 3000 school children and adults in the past 2 1-2 months. The Carnegie Trust offer which makes the exhibit possible holds good for 3 years so that those interested may look forward to another treat next year.

CHEADLE

::0::

Mrs J A Montague was called on January 12th to her home in Illinois where her father is very sick.

The annual meeting of the Ladies Club was called last Thursday but on account of the weather only a few ladies showed up so it was postponed to a future date.

A trustee meeting was held last Saturday. Mr Silverthorn was re elected as chairman.

Mr O Edwards has returned from a business trip to Vancouver.

The Trail Rangers and their leader went on an observation trip to Calgary last Friday. They visited the Biscuit Factory, the Union Milk and Burns Packing Plant. They wish to extend a word of thanks to those who took them.

Miss Muriel Hartell spent the week end visiting Miss Edith Kearns of Ardenode.

Mr and Mrs Fred Wooley left last week for their home in Edmonton after spending a few weeks with the bride's parents Mr and Mrs Ira Smith of Cheadle.

Miss N Walter spent the week end with her parents in Trochu.

Mr and Mrs Kruger and family formerly of Cheadle were Sunday visitors of Mr and Mrs Komich.

Misses Florence and Mary Craig spent the week end with their parents Mr and Mrs Craig of Cheadle.

ARDENODE

::0::

A wedding of much interest to the people of the district was quietly solemnized at the Norwegian Church in Calgary Saturday afternoon, January 21st when Miss Lilly Tott of Copenhagen, Denmark became the bride of Mr B Plesner of Ardenode. The bride was becomingly attired in a dark brown ensemble and was given in marriage by the groom's cousin Mr H Christie of Innisfail, Alta. After the ceremony a reception was held in the dining room of the Empress Hotel. After a brief honeymoon spent in Calgary Mr and Mrs Plesner will make their home at the Norway farm.

Mr and Mrs W Knapp entertained Saturday evening Mr and Mrs B P Nelson.

Mrs Rosted spent a day in Calgary Monday last.

Mrs Seeley and Mr W Seeley were Calgary visitors last week.

Mr G Dawson spent a short time visiting at the U F A Convention in Calgary last week.

Mr D S Brook who was confined to barracks with an attack of the flu will we hope be his usual self once again.

TRADE RUMORS FLYING AS NEW YORK PREPARES FOR MAJOR BASEBALL SESSIONS

—::O::—

New York:— The winter's first snowstorm brought with it baseball trade winds that promise to howl and whistle about New York during the American and National league annual meetings.

The one day meeting of the National League doesn't open until tomorrow but rumors already are flying. Some of them are that the Yankees will trade Ben Chapman to the Chicago White Sox for Heinie Manush; the Giants will swap Hughie Critz for a shortstop and that the Brooklyn Dodgers are willing to trade anybody if the deal strengthens their lineup.

Despite the unprecedented number of trades expected, the 16 baseball club representatives gathered here are more interested in financial problems. Both leagues are convinced a drastic cut in operating expenses is necessary.

Topics that will come up for plenty of discussion at the National league gathering tomorrow the American on Wednesday and at the joint meeting Thursday are:

1 Radio broadcasting.
2 Decrease in players salaries.
3 Shortening of the training season.
4 Decrease in the present player limit.
5 Co-operative trading with an aim at strengthening the weak clubs and thus produce more spirited pennant races.
6 Reduced admission prices.

The magnates are expected to propose that the player limit be cut. Last year it was reduced from 25 to 23 players. It is believed the maximum will be cut to 22.

Some clubs favor mandatory reduction of players salaries. Others particularly eastern teams, believe the question of salaries should be left to each individual organization.

More co-operative trading will be urged to strengthen weak sisters, and produce a closer pennant race.

Another proposal expected is one calling for a discard of the methods in buying tickets for the world series in sets of three. With the Yankees as leaders, this move is expected to win because last years series fell short of a sellout in New York. Office workers who could only get off a single day were unable to buy one ticket.

—::O::—

RUTH CONTRACT ONLY CALLS FOR $50,000

—:O:—

New York— Babe Ruth bellowed announcement that he had rejected a contract providing for baseball's biggest salary slash— $25,000.

I was thunderstruck— amazed! the brawe Babe told the United Press. I could hardly believe my eyes when I looked at those figures, chopping $25,000 off my last year's $75,000 salary. The Yankees offered me $50,000 for next year's salary. So I chucked the contract right back into the mail box.

While the 38 year old slugger boomed away, a loud wail arose at Tampa, Fla. when Al Lopez, Cuban catcher of the Brooklyn Dodgers, received his contract calling for a $3,000 a year salary reduction. It is understood his new document calls for $10,000 in 1933.

This makes at least three holdouts already lined up, because Sunny Jim Bottomley announced a couple of weeks ago that he had rejected an offer from the Cincinnati Reds, after they had called him in for a huddle at the club offices.

While all clubs mailing out their contracts and virtually all giving many players salary cuts, other holdouts are expected momentarily.

Lou Gehrig the Yankee first baseman, was believed to be a holdout, but would make no admission except that he had received his contract. Lou received $32,500 for his services in 1932 and was expected to get a $10,000 cut this year.

HEARD ON THE STREET

—::O::—

That magistrate who said: You can't drive a car with your arm around a girl's waist, was born just twenty years too soon. He evidently never heard about the boy and girl who were driving down Broadway last week. Hi!, he yelled at the boy. Use both hands.

I can't said the boy. I have to drive the car with the other one.

* * * * *

Darling, he said, when did you first know that you loved me?

When I began to get annoyed at hearing you called an idiot, she replied.

* * * * *

The schoolmaster was interesting a class of boys in red Indians. What do we call the leaders of the tribes, Smith? he asked.

Chiefs, sir.

Quite correct. And what do we call the red Indian women, Jones? was the next question

Jones hesitated, then said, Well, mischiefs, sir.

* * * * *

Talk about poverty: if you want to see real poverty, you ought to travel through some of the mountain section in the South.

Terrible conditions, eh?

Why some of those mountaineers live in shacks do dilapidated that every time it rains they have to go out and sit in the sedan

* * * * *

Magistrate— Are you sure he was intoxicated.?

Policeman— No, sir, not positive, but his wife says he brought home a manhole cover and tried to play it on the gramophone.

Picnicker (to grumbling husband up tree): Well if you hadn't forgotten your watch we wouldn't have to boil the eggs by the village clock.

* * * * *

So you want to marry my daughter? What is your financial standing?

Well sir, I've wangled every exemption possible; I've had the best legal advice that money would secure; I've done everything I could to dodge it— and I still find that I cannot escape paying income tax.

Take her, she's yours.

* * * * *

In order to be happily married, a girl might try marrying a fellow so homely that no other girl wants him.

* * * * *

Teacher on Hygiene— Why must we always keep our houses neat and clean?

Pupil— Because company may walk in at any moment

* * * * *

Well do you want a meal bad enough to work for it?

I'm just hungry madam, not desperate.

A small boy had been vaccinated and the doctor started to bandage his sore arm, but the boy objected.

Put it on the other arm doctor.

Why no, said the doctor. I want to put the bandage on your sore arm so the boys at school won't hurt it.

Put it on the other arm, doctor, said the small boy. You don't know the fellows at Strathmore school.

* * * * *

A pretty good firm is Watch & Waite

And another is Attit, Early & Layte,

And still another is Doo & Dairet

But the best is probably Grinn & Barrett.

—::O::—

LEFTY GROVE IS CONFIDENT OF 30 VICTORIES THIS YEAR

—:O:—

Philadelphia:— Robert (Moses) Grove, Philadelphia Athletics' fireballer, aiming for the 30 victory class this season, says he's exactly one pound overweight, but will lose that as soon as the training season begins.

I expect to get back in the 30 victory class this year, said Lefty. I would have been in it last season had it not been for the accident in St Louis which kept me out of action for five weeks.

Incidentally, the lanky southpaw expressed the opinion that, as a fortune teller, his former teammate, Al Simmons, recently quoted as saying the Yankees will have the pennant cinched by July 4, is a great outfielder.

The Athletics will be in the race right down to the finish, said Grove, and don't forget those Senators

Dr. Clarence W. Lieb, prominent author of "Eat, Drink and be Healthy," says that . . .

"BEER AND MILK ARE THE TWO GREAT FOOD BEVERAGES, THE FORMER BEARING SOMEWHAT THE SAME RELATION TO THE ADULT THAT MILK DOES TO THE INFANT. THEY BOTH CONTAIN A LARGE AMOUNT OF CARBOHYDRATES, LACTOSE IN MILK AND MALT SUGAR IN BEER. BOTH BEER AND MILK CONTAIN VALUABLE MINERAL SALTS, AND THE TWO MAY BE COMPARED FROM THE CALORIC STANDPOINT."

AUDITOR'S CERTIFICATE

I have audited the accounts of the Town of STRATHMORE for the year ending December 31st, 1932, and have compared the said accounts with their relative vouchers and certify that in my opinion the foregoing financial statements are properly drawn up so as to exhibit a true and correct view of the financial affairs of the Town, according to the best of my information, the explanations given to me, and as shown by the records, subject to any qualifications mentioned in Auditor's Special Report herewith.

The statistical information contained herein was obtained from the books and records of the Town, or from information supplied by officials of the Town .

Dated at Strathmore this 20th day of January, 1933.

JOS. VAN TIGHEM, Strathmore, Alberta.

THE STANDARD, STRATHMORE, ALBERTA

FARM PRICES MUST SOON BE INCREASED

Discussion of the plight of the farmer continues to monopolize much of the space in the editorial columns of the Provincial press. This is particularly true of the weekly newspapers. Obviously those most closely in touch with the true facts of distress among the farmers of Ontario can see for themselves the futility of expecting any real return of prosperity until conditions on the farms are improved.

Rusticus, the well known farmer who contributes so ably to the editorial columns of the Stratford Beacon Herald has written an article on this subject which is worthy of wide attention. It not only contains arresting facts and figures. Its conclusions are terse and challenging Thus Rusticus writes in part:

For the purpose of this article we have made an attempt to find out just what volume of products is sold from the average 100 acre farm. We have miserably failed, because we can find no farmer who knows what his actual gross income or expenditure is. In very many cases the expenditure is greater than the income, In the majority of cases where there are no interest charges to meet the farmer finds himself within a few dollars of breaking even at the end of the year. Farmers who have a surplus at the end of the year of, say, a hundred or two hundred dollars are very scarce. In fact, we know of none

The basic cause of the farmer's distress is, of course, that the prices received for produce have fallen out of all proportion to the reduction in the payments the farmer is forced to make. Produce for which the farmer received one dollar in 1929 brings today but 44 cents, according to the Dominion Bureau of Statistics. Taxes have actually risen in that period, if local Provincial and national charges are included.

There has been no reduction in mortgage charges, life insurance premium rates, and so forth—which means that such obligations are more than twice as burdensome as in 1929. The price of manufactured goods has been reduced, but not in harmony with the fall in farm produce.

In the last analysis there is no escape from realities in regard to the farmer's income and expenditures. If the farmer is not earning enough to meet his fixed charges and pay for the necessities, then fixed charges cannot be met, whether they are taxes, interest on mortgages, or similar obligations

Either farm prices will have to be raised or burdens on farmers will have to be reduced. There are no other alternatives.

—:O:—

DEMPSEY AND TUNNEY MEET

—:O:—

Chicago:— Jack Dempsey and Gene Tunney met for the third time the other night. On this occasion there was no million dollar gate, and the meeting, quite accidental, was at the home of Roy Howard ,the publisher, in New York. Although it was their third meeting, the other two being in Philadelphia and Chicago, Dempsey says it was the first chance they had to become acquainted, and as, a result of a long and cordial conversation they parted the best of friends. Jack suggested to his conquerer that he enter into partnership with him in promoting the Schmeling-Baer fight, but Tunney declined, saying he is definitely committed to a political career. Dempsey says he found Gene a more human fellow than he seemed to be in his fighting days. Since he got out into life he has found it a more pleasant place than he had reason to suspect. He is less serious, more mellow, and Jack got a different impression of him altogether.

—:O:—

NAMAKA

—:O:—

The people of Namaka and surrounding district will be pleased to learn of a series of card parties put on in the Namaka I O O F Hall under the auspices of the Rebekah Lodge on Thursday, Feb 2nd, 16th, and March 2nd. Cards will be played, commencing at 8.30 sharp to 10.30, then lunch will be served and after, those wishing to dance may do so until 12.30. Prizes will be given each night and also a grand prize at the end of the series.

The rates for the Dining Room will remain as formerly viz:

Meetings	$5.00
Card Parties, Dances, etc, with use of Kitchen	$7.50

EGG IMPORTS AND EXPORTS

—:O:—

How little Alberta depends on imports of eggs is shown by the figures for 1932, which show that only 500 cases of eggs were brought into the province in comparison with an export of Alberta eggs totalling 45,842 cases to outside markets. Export of poultry amounted altogether to 89 carloads according to final figures just released

The Human Bake Oven
TREATMENT FOR
Rheumatism, Sciatica, Lumbago and Nervous Troubles

The apparatus which so successfully fights the germs of Chronic Rheumatism. The temperature of the Oven is gradually increased until 300 degrees F is reached.

The baking treatment is not a sure cure all but so far has proven very efficacious in many cases.

Testimonial

"I suffered with Rheumatism four years and have been bothered so I could not do anything. Would have stitches in my side and back so that I could not move. My limbs gave me much trouble and I walked lame. I took one month's treatment in the Human Bake Oven and am completely cured. I recommend this treatment to those suffering as I did, for I know it will cure them.

If anyone wishes to know further, they may write me.

Name furnished on application.

CARSELAND

—:O:—

Several members of the Carseland U F A with their wives have been attending the Provincial U F A Convention in Calgary.

A rink composed of R E Hoover H Crowe, C Mumford and H Berg quist motored to Blackie last week and enjoyed a curling game with a rink skipped by Meyer. Needless to say the Carseland rink was on the short end of a 14-9 count.

Card parties are having their inning in this community. The English Church Ladies staged the first one, January 13th. The following Friday evening the Y P S held their card party which proved very successful and helped greatly towards the purchase of a piano. Friday, January 27th the Community Hall Board are having a card party at which (500) and bridge will be played.

The annual meeting of the Carseland Community Hall Board was held in the Hall, Friday 13th. H Berquist and G C Melendy are the two new members on the Board.

Plans to put on a play during the early part of March. Be sure and watch for the announcement and come and help them pay for their piano. There will be heaps of fun. Don't miss it.

The Annual Meeting of Carseland Consolidated School District was held January 14th. The School Board, all new members are R Barlowe, Chairman, of Ferndale; John Christensen, of Strangmuir; and A Ostrom of Horsetrack.

The residents of Carseland and community very much regret the closing of the local branch of the Royal Bank of Canada, and the removal of our present genial staff. The big question now is where shall we put all our money ? ? ?

Mr and Mrs Selgel and Mr and Mrs Walter Cole were Sunday visitors at the home of Mr and Mrs George Meyer of Blackie.

Mr W E Hill, our local hardware merchant was taken suddenly ill Saturday evening. As he was no better Monday Mr G Forbes took him to a Calgary Hospital. We trust a few days rest in the hospital will make him perfectly hearty once more.
